

## “Clean Your Pool - Help Your School” Fundraiser

- Save Time
- Save Energy and Money
- Help the Environment
- Help Desert Mountain Band Boosters support the Desert Mountain High School Band

The Desert Mountain High School Band Boosters is teaming up with Solar Pool Technologies, Inc. as part of that company's “Clean Your Pool, Help Your School” program.

Solar Pool Technologies has recently introduced a revolutionary new solar-powered robotic pool cleaner, the Solar-Breeze, that helps pool owners eliminate the need for hand skimming their pools and also helps them save as much as 2/3 on the electrical costs associated with maintaining their pools. You can learn more about this great new product at [www.solar-breeze.com](http://www.solar-breeze.com). Those who are interested can purchase the product on-line at the web-site.

*Anyone who purchases a Solar-Breeze on-line between now and December 31, 2010 can enter the promotional code “DMHSBand” when placing their order and receive a \$40.00 discount. In addition, every time an order is received using the DMHSBand code, Solar Pool Technologies, Inc. will make a donation of \$50.00 to the Desert Mountain Band Boosters to help support the Desert Mountain High School Band.*

This promotional offer is NOT limited to members and families of Desert Mountain Band Boosters. Anyone can enter an order using the DMHSBand code, so make sure your friends, family and associates are aware of this opportunity, as well.
